Folsom Dam Raise Project Path Forward Briefing

Ruth Darling, Board Staff;

Jill Russi, U.S. Army Corps of Engineers Sacramento District;

Vance Cave, DWR Flood Projects Office

BRIEFING SUMMARY

As a follow-up to the April 2017 Project briefing, US Army Corps of Engineers (USACE) will brief the Board on the status on the Folsom Dam Raise Project, including the updated design configuration, benefit, cost and schedule. DWR project management staff will present an informational update on the path forward for the Project Partnership Agreement (PPA) and Local Project Partnership Agreement (LPPA).
