

Central Valley Flood Protection Board Meeting

INFORMATIONAL BRIEFING

State Plan of Flood Control (SPFC) Update

BRIEFING SUMMARY

Background

The SPFC Descriptive Document is a reference document that describes the project facilities, lands, programs, plans, conditions, and mode of O&M, that comprise the SPFC. This informational briefing is intended to share the purpose and history of the 2010 SPFC Descriptive Document, and provide a high-level update of how the 2016 SPFC Descriptive Document Update differs from the 2010 version.
