

Central Valley Flood Protection Board Meeting
Folsom Auxiliary Spillway (Joint Federal Project) Briefing

Dave Thomas

Director, MEGA Projects Center, Sacramento District,
U.S. Army Corps of Engineers

BRIEFING SUMMARY

On October 17, 2017, the Sacramento District of the US Army Corps of Engineers, the Central Valley Flood Protection Board, the Department of Water Resources, the Sacramento Area Flood Control Agency, the US Bureau of Reclamation and other partners celebrated the completion of the Folsom Auxiliary Spillway (Joint Federal Project). Sacramento District will provide an overview of this project, from concept to completion and include a briefing on near term and long term goals for the project.
