

Executive Officer Delegation Report

Posted on 6/8/2015

Meeting Date: 05/29/2015

Number of Applications Scheduled: 4

App No	Applicant	Location Description	County	Stream	Project Description	LMA Endorsement	CEQA Finding
19012	Virginia Ford	The project is located on the residence at 14087 Isleton Road, Isleton.	Sacramento	Sacramento River	To install a 20' x 41' U-shaped floating boat dock, three steel piles, a 3' x 30 aluminum gangway with a concrete landing, and a staircase leading from the concrete landing to the top of the levee all on the left bank of the Sacramento River.	Reclamation District 556	The Board determined that the project is categorically exempt from CEQA under a Class 3 Categorical Exemption (CEQA Guidelines Section 15303) covering new construction of small structures.
<p>Issued</p>							
19014	Knaggs Ranch LLC	The project is located 6.5 miles northeast of Woodland and approximately 500-feet south of the south levee of the Knights Landing Ridge Cut.	Yolo	Yolo Bypass	To authorize an existing 16-inch diameter groundwater well and approximately 85-feet of 12-inch diameter discharge pipe; To construct an elevated steel 10- by 10-foot pump platform over the existing groundwater well and install the existing well pump on the platform; To construct an elevated steel 30- by 14-foot pump platform with one 24-inch lift pump and a 24-inch diameter discharge pipe. The smaller platform is approximately 35-feet northeast of the larger platform and both are located on the west side of the Yolo Bypass with the larger platform being located over the drainage canal that parallels the west levee of the Yolo Bypass.	Sacramento Maintenance Yard	The Board determined that the project is categorically exempt from CEQA under a Class 3 Categorical Exemption (CEQA Guidelines Section 15303) covering new construction of small facilities.
19016	Peter Stone and Karen Zehnder	The project is located approximately 2.2 miles downstream of the Freeport Bridge between 8941 River Road (APN 113-0230-009) and 8941 River Road (APN 113-0230-011).	Sacramento	Sacramento River	To construct a private ramp and driveway on the landside of the left (south) bank levee of the Sacramento River that will provide access to two (2) separate parcels.	Maintenance Area 9	The Board determined that the project is categorically exempt from CEQA under a Class 3 Categorical Exemption (CEQA Guidelines Section 15303) covering new construction of small facilities and a Class 4 Categorical Exemption (CEQA Guidelines Section 15304) covering minor alteration to land.
19018	Bypass Farms	The project is located along County Road 117 approximately 0.4 miles south of where County Road 117 intersects County Road 16 in West Sacramento, CA.	Yolo	Sacramento River	To remove an existing 18-inch 3/8-inch pipeline and replace with a new 18-inch 3/8-inch wall welded steel pipeline. Construction will include the installation of a positive closure device, siphon breaker, and replacement of existing distribution box and water meter.	Reclamation District 1600	The Board determined that the project is categorically exempt from CEQA under a Class 2 Categorical Exemption (CEQA Guidelines Section 15302) covering replacement of existing structure where the new structure will be located on the same site and will have substantially the same purpose and capacity as the structure replaced.
