Subject: Notice of Proposed Agenda Revision
Agenda Item No. 8B: Evidentiary Hearing for
Encroachment Permit (EP) Application No. 18576 – Singh Unit Restoration Project

Dear Ms. Westrup:

California Department of Parks and Recreation (DPR) requested to postpone the evidentiary hearing for the subject application at the June 24, 2011 Central Valley Flood Protection Board (Board) meeting after the Board's final agenda was posted. At the beginning of the June 24 Board meeting, the Executive Officer will ask the Board to change the Requested Action to an Informational Briefing. Should the Board approve our proposed change to the agenda, the Board will receive updates from Board staff and DPR staff. As always, members of the public are welcome to attend the Informational Briefing, however no action will be taken by the Board at this time.

A staff report will be posted on the Board's website seven (7) days prior to the meeting. If you have any questions or need additional information, please contact Staff Engineer Jon Tice at (916) 574-2380, or via email at jtice@water.ca.gov.

Sincerely,

A handwritten signature in blue ink that reads "Jay S. Punia".
