**1.0-ITEM**

Quitclaim of Parcel 13668-A.

**2.0-BACKGROUND**

As the Non-Federal Sponsor, it was necessary for the Central Valley Flood Protection Board (Board) to acquire certain real property rights in order to certify the real estate requirements necessary for the construction of Cache Creek Critical Erosion Site LM 3.9L and LM 4.2L, North Levee Setback Project.

The Department of Water Resources, Real Estate Branch, acquired on the Board's behalf, a permanent easement in the name of the Sacramento and San Joaquin Drainage District (SSJDD) over a portion of parcel 13668, known as 13668 Unit A and B, from Margrit Boyd, Trustee of the Survivors Trust under the Steven and Margrit Boyd Family Revocable Trust, Dated August 23, 2000 on 11/17/2009 by way of Easement Deed Document 2011-0007145-00 for flood control purposes. A Temporary Construction Easement was also acquired over a portion of Parcel 113668, formally known as 13668 Unit C, currently known as 13668-A, by way of the same Temporary Easement Deed Document 2011-0007146-00. Total compensation paid for Parcel 13668 was \$190,200, with \$2,384 being paid specifically for Parcel 13668-A, a Temporary Construction Easement, for a duration of the project. Project requirements required SSJDD to retain a permanent easement over Parcel 13668 Unit A and B for flood control purposes. However, the Temporary Construction Easement over Parcel 13668-A expired due to the completion of construction. However, to avoid any chance of clouding title, representatives of the Boyd trust have requested that the Board quitclaim the temporary easement back to Margrit Boyd, Trustee of the Survivors Trust under the Steven and Margrit Boyd Family Revocable Trust, Dated August 23, 2000 to clear the cloud on title. Parcel 13668 Unit A and B will remain as permanent easement under SSSJDD.

**3.0-DESCRIPTION**

It is necessary to quitclaim Parcel 13668-A in order to remove the Temporary Construction Easements from the portion of Parcel 13668 that is no longer required by SSJDD. The quitclaim will transfer only the Board's temporary construction easement interest to the current property owner, Margrit Boyd, Trustee of the Survivors Trust under the Steven and Margrit Boyd Family Revocable Trust, Dated August 23, 2000.

Review of the final Quitclaim Deed by the Executive Officer and counsel will occur prior to execution of said Quitclaim Deed.

**4.0-STAFF RECOMMENDATION**

Staff recommends the Board approve Resolution Number 2014-13 which approves the Quitclaim of Parcel 13668-A, effectively removing any cloud on title on the parcel resulting from the expired Temporary Construction Easement rights obtained for the Project.
