AGENDA

CENTRAL VALLEY FLOOD PROTECTION BOARD SAN JOAQUIN RIVER BASIN-WIDE FEASIBILITY STUDY WORKSHOP

May 13, 2016 – 10:00 AM to 1:00 PM

U.S. Fish and Wildlife Service San Luis National Wildlife Refuge Complex

7376 S. Wolfsen Road, Los Banos, CA 93635 (see attached directions)

NOTE: The Board will consider timed items as close as possible to the listed time, but not before the time specified. Untimed items may be considered in a different order upon determination by the Board President. All items appearing on this agenda may be subject to Board action, whether or not expressly listed as an action item.

Members of the public shall be provided an opportunity to address the Board on any agenda item except closed session items. Comments made during the public comment period should be limited to matters within the Board's jurisdiction. Reasonable time limits may be established for public comments (Government Code Section 11125.7).

Background for agenda items is available on the Board website at www.cvfpb.ca.gov

Anyone may request a printed copy of background or other material on an agenda item that has been distributed to the Members of the Board. A fee covering the cost of the provision of such materials may be charged. If reasonable accommodation due to a disability or language assistance is needed, please contact the Equal Opportunity Management Investigations Office at (916) 653-6952, or TDD (916) 653-6934 at least a week prior to the meeting.

1. **Welcome, Introductions, and Announcements** (*Bill Edgar, Board President*)
2. **Public Comment (on non-agendized items)**
3. **2017 Central Valley Flood Protection Plan Update Background**
(*Michael Mierzwa, Central Valley Flood Planning Office, DWR*)
4. **San Joaquin River Basin-wide Feasibility Study** (*Eric Tsai, Central Valley Flood Planning Office, and Anna Fock, Division of Statewide Integrated Water Management, DWR*)

Workshop on the San Joaquin River Basin-wide Feasibility Study, a supporting document to the 2017 Central Valley Flood Protection Plan Update. DWR will summarize the planning to date (including integration with the Regional Flood Management Plans and Conservation Strategy), highlight a tentative recommended plan, and describe key findings and recommendations from the study.

5. **Adjournment**

The directions you get from the internet may not lead you to the correct destination.
Below are best directions to the Visitor's Center next to U.S. Fish and Wildlife Service San Luis National Wildlife Refuge Complex.

The address is 7376 S. Wolfsen Road, Los Banos, CA 93635.

Coming from the North (Modesto) on Highway 99: In Turlock, take the Lander Ave/Highway 165 exit toward Los Banos. Travel south on Hwy 165 through the communities of Hilmar and Stevinson. At the 4-way stop at the intersection of Hwy 165 and Hwy 140, continue southbound (straight) toward Los Banos for 12.5 miles. Turn left on Wolfsen Road. Follow Wolfsen Road approximately 2 miles until the pavement ends at the Refuge entrance. Continue through the gate on the gravel road -- the Visitor Center parking lot is on the left after passing through main entrance (left turn at the stop sign).

Coming from the South (Fresno) on Highway 99: Travel on Highway 99 north to Highway 152 westbound. Travel westbound on Hwy 152 to Los Banos. Turn right on Mercey Springs Road (fourth stoplight after entering Los Banos from the east). Continue on Mercey Springs Road (also called Hwy 165) for approximately 6.5 miles to Wolfsen Road. Turn right onto Wolfsen Road. Follow Wolfsen Road approximately 2 miles until the pavement ends at the Refuge entrance. Continue through the gate on the gravel road -- the Visitor Center is on the left after passing through main entrance (left turn at the stop sign).

From Interstate 5 (north or south): Take the Los Banos/Highway 152 east exit. Travel on Highway 152 eastbound into Los Banos. Turn left on Mercey Springs Road. Continue on Mercey Springs Road (also called Hwy 165) for approximately 6.5 miles to Wolfsen Road. Turn right onto Wolfsen Road. Follow Wolfsen Road approximately 2 miles until the pavement ends at the Refuge entrance. Continue through the gate on the gravel road -- the Visitor Center is on the left after passing through the main entrance (left turn at the stop sign).
