

Meeting Date: 11/18/2016

Number of Applications Scheduled: 3

App No	Applicant	Location Description	County	Stream	Project Description	LMA Endorsement	CEQA Finding
18374-1	Farmland Reserve, Inc.	The project is located east of Corning and approximately 3 miles downstream of the Woodson Bridge.	Tehama	Sacramento River	This is a "name change" permit only and includes conditions that are consistent with current flood control standards and policies of the Central Valley Flood Protection Board. This permit supplements Permit No. 18374 that was issued to Robert Ginno on October 22, 2008, to plant approximately 87 acres with native trees, shrubs and grasses within the designated floodway on the right (wset) bank of the Sacramento River.	N/A	This action does not have the potential for resulting in either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment and thus is not a "project" for purposes of the California Environmental Quality Act (Public Res.Code § 21065; Guidelines § 15378(a)).
19124	City of Rio Vista	The project is located on the right (west) bank of the Sacramento River at the end of Main Street in the City of Rio Vista.	Solano	Sacramento River	To authorize an existing 5-foot by 33-foot gangway and an existing 10-foot by 126-foot floating boat dock that is secured by two sets of dolphin piles; to replace the existing gangway with a new 5-foot by 43-foot gangway; to replace the existing floating boat dock with a new 10-foot by 120-foot floating boat dock.	N/A	The Board, acting as the CEQA lead agency, has determined the project is exempt from CEQA under a Class 2 Categorical Exemption of the CEQA Guidelines Section 15302 covering replacement of an existing structure.
8659-1	Graham and Kacie Owen	The project is located on the property at 4251 Garden Highway in Sacramento.	Sacramento	Sacramento River	<p>To remove and replace a driveway and construct a small (less than 3-ft high) retaining wall at 4251 Garden Highway on the left bank of the Sacramento River at Power Line Road.</p> <p>This permit also facilitates a name change to Permit Nos. 8659 and 8659-A that were both issued to Leon Williams: Permit No. 8659 was issued on May 18, 1973 to construct a house with well, septic tank, leach line, and driveway; Permit 8659-A was issued on December 14, 1973 to add a deck to the side of the house facing the river.</p>	Reclamation District 1000	The Board determine that the project is categorically exempt from CEQA under a Class 3 Categorical Exemption (CEQA Guidelines Section 15303) covering construction of small structures.
