

Meeting Date: 01/27/2017

Number of Applications Scheduled: 4

App No	Applicant	Location Description	County	Stream	Project Description	LMA Endorsement	CEQA Finding
10068-1	Agriculture Industries, Inc.	The project is located on the left bank of the Sacramento River along Cranmore Road, approximately 2.15 miles southwest of Robbins.	Sutter	Sacramento River	To remove and replace an existing 12-inch diameter steel pipe through the levee with a new 12-inch diameter 3/8-inch thick welded steel pipe, positive closure device and siphon breaker; and to install a new 1-inch diameter electrical conduit and new electrical panel.	Reclamation District 1500	The Board determined the project is categorically exempt from CEQA under a Class 2 Categorical Exemption (CEQA Guidelines Section 15302) covering replacement of exisiting structures where the new structure will be located on the same site as the structure replaced and will have substantiallyu the same purpose and capacity as the structure replaced.
11805C-1	California Department of Fish and Wildlife	The project is located along the right (north) bank of the Cherokee Canal, approximately 2.5 miles downstream from Briggs-Princeton/Afton Road.	Butte	Cherokee Canal	This is a "name change" permit only and includes conditions that are consistent with current flood control standards and policies of the Central Valley Flood Protection Board. This permit supplements Permit No. 11805C that was issued to Lauren Ward on May 16, 2013 for the installation of a 48-inch diameter RCP with concrete encased collars through the levee and a gate waterward of the levee on the right bank of Cherokee Canal.	Maintenance Area 13	This action does not have the potential for resulting in either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment and thus is not a "project" for purposes of the California Environmental Quality Act (Public Res. Code § 21065; Guidelines § 15378(a)).
12000-2	Rick Rethford	The project is located at 2399 Garden Highway, Sacramento, CA.	Sacramento	Sacramento River	To authorize an existing double-berth boat dock (55-ft by 28-ft and 14-ft by 17-ft) attached to three steel pilings, a 56- by 4-foot gangway, a 1/2-inch electrical conduit, and a 1/2-inch water line.	Reclamation District 1000	The Board determined that the project is categorically exempt from CEQA under a Class 1 Categorical Exemption (CEQA Guidelines Section 15301) covering existing facilities.
8659-2	Graham and Kacie Owen	The project is located at the intersection of Garden Highway and Power Line Road in Sacramento	Sacramento	Sacramento River	To install a new set of two safety gates at 4251 Garden Highway on the left bank of the Sacramento River at Power Line Road.	Reclamation District 1000	The Board determined that the project is categorically exempt from CEQA under a Class 3 Categorical Exemption (CEQA Guidelines Section 15303) covering new construction of small structures.
