AGENDA

CENTRAL VALLEY FLOOD PROTECTION BOARD SITE VISIT

February 9, 2018 - 9:45 AM to 3:30 PM

**975 Wilson Bend Rd., Grimes, CA
Sacramento River West Side Levee District and
Reclamation Districts 787 and 108**

TOUR SUMMARY

The Central Valley Flood Protection Board will conduct a site visit to the Sacramento River West Side Levee District and Reclamation Districts 787 and 108, north of Sacramento on Friday, February 9, 2018. The tour will begin with briefings at RD 108's Office in Grimes (directions below) followed by five site visits. The purpose of the tour is to view and gain a better understanding of:

- The damaging effects on levees of the 2017 winter high water events, such as erosion, stability and seepage.
- A seepage/boil site that is scheduled for construction this summer under the Department of Water Resources' (DWR) Flood System Repair Project (FSRP) 2018 program.
- A site that experienced a flood fight by the USACE in 2017, with repairs also planned for this summer, 2018.
- A DWR large tree removal project.
- The Wallace Weir Fish Rescue Project.

Lunch Arrangements: Lunch on your own.

Restroom Facilities: Available at RD 108 office.

Attire and Weather: Please wear attire for walking on dirt roads, and bring weather protection and water.

Directions to Reclamation District 108's Office/Tour Starting Point:
975 Wilson Bend Road, Grimes, CA 95950

Please follow these directions:

Take I-5 to the first Woodland exit, Road 102 (Knights Landing exit). Head east to Knights Landing. Right before the Sacramento River Bridge, you will see a sign for HWY 45 heading north. Turn left onto HWY 45 and stay on HWY 45 for approximately 15-16 miles. In the middle of a 45 degree turn, you will see Wilson Bend Road (there is a District sign on the corner, and it is less than 2 miles north of County Line Road). Turn right onto Wilson Bend Road. Go about 4 miles and you will see the District Office on the left. Park in front of the older part of the office and walk back to the new front door.
