Project Title: Western Pacific Interceptor Canal Culvert Replacement Project

Project Applicant: Central Valley Flood Protection Board

Project Location (include county): Near the town of Arboga and Plumas Lake subdivision, Yuba County

Project Description:
The Board proposes to replace a failed drainage culvert located through the eastern embankment of the Western Pacific Interceptor Canal (WPIC). The culvert is no longer conveying water from low lying lands to the east into the WPIC. The Project includes, site preparation, dewatering, ground disturbance, removing the failed culvert and replacing the culvert, in-kind, with a new culvert, and project site restoration.

This is to advise that the Central Valley Flood Protection Board has approved the above described project on December 15, 2017 and has made the following determinations regarding the above described project.

1. The project [☐ will ☒ will not] have a significant effect on the environment.
2. ☒ An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
   ☒ A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [☒ were ☐ were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [☒ was ☐ was not] adopted for this project.
5. A statement of Overriding Considerations [☐ was ☒ was not] adopted for this project.
6. Findings [☒ were ☐ were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
Central Valley Flood Protection Board office, 3310 El Camino Avenue, Suite 170, Sacramento, CA 95841
