- EO Gallagher signed an Operations and Maintenance Agreement for Huff's Corner Levee Raise and Channel Reconfiguration.
- EO Gallagher also signed Delta Subventions Work Agreements for RD830, RD2113, RD2023, RD2060, and RD349.
- On June 4, 2019, the Coordinating Committee Steering Committee Meeting (Bill Edgar, Kim Floyd, Jon Ericson, Eric Nagy, Melinda Terry, Leslie Gallagher, Michael Wright, Darren Suen) met to discuss the agenda for the future Coordinating Committee
- On June 6, the Oversight Management Group met to discuss ongoing projects including West Sacramento (contractor working on minor erosion repair, restoration planning – water still too high for planting), Natomas (work starting on Reach D, H & I), ARCF 2016 (public outreach campaign to start soon to raise awareness of the project and benefits).
- On June 12, Board President Edgar, Board Member Macdonald and EO Gallagher attended a water portfolio recommendations group to discuss the Governor's Water Resiliency Portfolio. The group consisted of NGO, tribal and local interests as well as the managers of some water agencies, DWR, the Water Board and others. Nancy Vogel is the appointee in charge of delivering the recommendations to the Governor. The Board has scheduled a listening session in June and July Board

meetings to obtain stakeholder input and staff will be developing a list of recommendations and examples of how the flood community is already implementing many of the resiliency strategies.

- On June 14, 2019 the Board held a workshop in West Sacramento. Topics discussed were the Operations and Maintenance update of the U.S. Army Corps of Engineers, the Department of Water Resources, and the Central Valley Flood Protection Board.
