

Central Valley Flood Protection Board

Executive Officer Delegation Report

Original Posting Date: January 6, 2021

Number of Applications Scheduled: 1

Application Number: 19556

Applicant: Pacific Gas and Electric

Location Description: The project is located approximately 1.6 miles southwest from the start of Duck Creek, from the San Joaquin and Stanislaus County lines.

County: San Joaquin

Stream: Duck Creek

Project Description: To authorize the existing aerial crossing of a 230 kV electric transmission line over Duck Creek.

LMA Endorsement: San Joaquin County Flood Control and Water Conservation District

CEQA Finding: Board staff has determined that the project is exempt from CEQA under the Class 1, Existing Facilities categorical exemption (CEQA Guidelines § 15301), because the activity consists of permitting existing public electrical conveyance. No expansion of existing or former use will occur. Further, none of the exceptions to the exemption in CEQA Guidelines Section 15300.2 apply.
